Trinity Cycle Recumbent Bike

ID: FS016N(001)

Play Value

Price: £1,919.00 🚲

Functional fitness which is accessible to all!

The new Trinity Cycle 3 in 1 recumbent cycle, can be used in numerous ways as a hand and foot cycle. The Trinity Cycle section has a sloping backrest that is ergonomically designed and tested by Loughborough University, to accommodate different height users. Its unique design 3 tier hand grip system means that whatever your height, you can be perfectly positioned to exercise comfortably and with minimised risk of strain or injury.

The Hand cycle can be accessed via the inbuilt seat, or alternatively wheelchair users will be able to access the hand cycle from the outside, with the hand grips perfectly positioned for wheelchair users, this fully inclusive outdoor fitness product can be used by anyone!

This product has been designed to be used in outdoor park settings and compliments our Action Stations Ranges.
